RESOLUTION

RESOLUTION REVOKING THE BUSINESS LICENSE OF
MVPN, LLC D/B/A MASTERS INN LOCATED AT
3600 MCFARLAND BOULEVARD EAST,
TUSCALOOSA, ALABAMA
(A21-1568)

WHEREAS, MVPN, LLC d/b/a Masters Inn located at 3600 McFarland Boulevard East, Tuscaloosa, Alabama, is licensed to do business as Accommodations, Hotels and Motels in the City of Tuscaloosa for calendar year 2021; and,

WHEREAS, the City of Tuscaloosa Police Department has received numerous complaints from the public and responded to numerous calls concerning MVPN, LLC d/b/a Masters Inn. These complaints concern MVPN, LLC d/b/a Masters Inn having become a public nuisance and dangerous to the public safety, health and welfare; and,

WHEREAS, the City Council by resolution on November 16, 2021 set a public hearing to consider the possible revocation of the business license of MCPN, LLC d/b/a Masters Inn and the owner was notified of the hearing; and,

WHEREAS, at the hearing, evidence was presented to establish that MVPN, LLC d/b/a Masters Inn was the subject of numerous criminal violations, building code violations, zoning violations and health code violations as follows:

1.) Registry violations. An inspection of the registry found that there were 32 guest that were staying at the motel in excess of 30 days, 5 employees living at the motel were working to pay for their rooms, the same guests staying in different rooms under different names and rooms rented without a charge, no vehicle information for guests, one guest staying at the motel for 9 years with her husband in different rooms and one guest staying continually for 1 year. The registry violations resulted in 5 citations being issued to Mitel Patel pursuant to the Code of Tuscaloosa. The most recent citation was on 11/15/21 for showing room 355 as vacant on the registry when an employee was staying in the room.

2.) Unlawful Construction activity. Eight motel rooms numbered 400 - 407 were converted into a single apartment which includes 3 bedrooms, a living room, kitchen, dining room, two full bathrooms and a laundry room. The work was never inspected and continued after hours following a stop work order resulting in a second stop work order being issued to Mital Patel personally. Three fire separation walls were removed and concrete was cut to

relocate plumbing and electrical lines. Mitel Patel was directed by Urban Development to convert the apartment back to single rooms and have failed to meet any of the progress deadlines.

3.) Dangerous / hazardous conditions. The portion of the building housing units 301-329 and 401-429 have been deemed unsafe due to a structurally unsafe balcony serving units 401-429 and are closed off at this time. Unit 429 is missing a ceiling and all units are to be checked for penetrations and separation of walls and ceilings and repaired as needed. Emergency egress lighting is inoperable throughout the building.

4.) Units 116, 300, 338, 340, 345 and 443 were found by a Health Department inspector to be infested with cockroaches and some of those units with bed bugs. Lamps, mattress, box springs, pillows, pillow cases, curtains, and shower curtains were to be removed and discarded safely. There were maggots found in or behind some full size refrigerators in rooms and appliances for cooking were in many rooms. Health Department reinspection found no improvement on 9/17/2021 and 9/28/21.

5.) Audit. Accounting and Finance requested records and books for an audit. The business was purposely not collecting taxes on some rooms with long term residents as was posted on the cash register.

6.) Criminal Activity. From November of 2018 when MVPN, LLC purchased Masters Inn criminal activity has increased to 937 calls from November of 2018 to September of 2021. These calls included multiple assaults, robbery, theft I and burglary and 6 calls for prostitution. Prostitution and business license revocation proceedings led to the previous owner selling the property to MVPN, LLC.

WHEREAS, responses by law enforcement, health officers, zoning officials, fire marshal, revenue officers, building inspectors were directly attributable to the nature of the business activity at MVPN, LLC d/b/a Masters Inn.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF TUSCALOOSA as follows:

1. That the licensee, its agents, or employees have violated provisions of State law and municipal ordinance relating to the license or business for which the said license is issued.
2. That the licensee, its agents, or employees have violated or aided in violating or knowingly permitted violations or criminal ordinances of the City and/or criminal laws of the State on a licensed premise.
3. That the licensed business activities are offensive, injurious and dangerous to the public health, safety and welfare to the extent that the licensed premises or licensed activity is a public nuisance.

4. That pursuant to Code of Tuscaloosa Section 7-33, as amended, the following business licenses issued by the City of Tuscaloosa to MVPN, LLC d/b/a Masters Inn, Account No. 118771 covering Accommodations, Hotels & Motels is revoked and the privilege to renew the licenses is hereby revoked.

5. That the Police Department, the Office of the City Attorney and Revenue Department are authorized and directed to take appropriate enforcement action in the event the Licensee continues or attempts to continue business activities at MVPN, LLC d/b/a Masters Inn.
