Re: King's Hookah
Date: May 29, 2024

As Chief of the Tuscaloosa Police Department, I believe that King's Hookah Lounge, located at 3801 Greensboro Ave #A, Tuscaloosa, Alabama 35405 is operating in an illegal manner and/or in such a way as to constitute a public nuisance. While the problems at King's Hookah have been ongoing for the last several years, the events of the last two months have been especially serious.

On April 14, 2024, over the A-Day weekend, police responded to King's Hookah due to an overcrowded parking lot. Upon approaching the door, officers could easily see that King's Hookah was dangerously overcrowded. Officers cleared out the building and counted the number of individuals as they exited. The total number of people in the building was 283, more than three times King Hookah's occupancy of 83.

At that time, officers detained the owner of King's Hookah, Isaiah Buggs, to issue him a citation for Overcrowding and because Mr. Buggs appeared to have two active writs for his arrest with the Tuscaloosa Municipal Court. While waiting on the Municipal Court writs to be confirmed, Mr. Buggs became irate that officers were standing with him and began pacing back and forth and raising his voice. Mr. Buggs then exited King's Hookah, and officers advised Mr. Buggs that he was not free to go. I was on-scene at the time and attempted to talk Mr. Buggs back into King's Hookah, but he began to walk away again. When I placed my hand on Mr. Buggs's shoulder, Mr. Buggs turned around and shoved me into several other officers. A scuffle ensued and it took several officers to place Mr. Buggs into handcuffs due to his lack of cooperation. Mr. Buggs was taken into custody and charged with Resisting Arrest and Overcrowding.

Just five days later, on April 19, 2024, officers responded to King's Hookah on a reported weapons discharge call. While this is certainly not the first time that officers have responded to King's Hookah due to a weapons discharge, this call was surprising because Mr. Buggs had stated on social media that he was temporarily closing King's Hookah following the events of the weekend before; however, King's Hookah apparently remained open.

Upon responding to this weapons discharge call, officers learned that a man had approached a group of patrons inside King's Hookah and pulled out a gun. The group decided to leave but the man held the firearm towards the back of one of the patron's head and walked out of the bar with the group. Once the group got into their vehicle, the man pointed the gun at the driver then pointed the gun down at the ground and fired one round into the pavement. Officers were able to locate the spot in the pavement where the bullet hit the ground.

Just three days later, on April 22, 2024, officers made contact with an employee asleep in his running vehicle in the King's Hookah parking lot at approximately 5:30am. Officers could see marijuana sitting on the passenger seat of the vehicle and, upon waking the employee up, he attempted to hide the marijuana. Officers had to forcibly remove the employee from the vehicle, and he was charged with Possession of Marijuana in the Second Degree and Resisting Arrest.

Just two days after that, on April 24, 2024, TPD received a report that Mr. Buggs and his brother both pointed firearms at two King's Hookah patrons in the King's Hookah parking lot. Mr. Buggs and his brother are both charged with Menacing related to this incident.

On May 19, 2024, officers responded to King's Hookah on a weapons discharge call. Initially, only one vehicle containing bullet holes was on-scene in the King's Hookah parking lot. That vehicle had several bullet holes and was occupied by three King's Hookah patrons. The Tuscaloosa County Violent Crimes Unit was called out to investigate. VCU located 15 shell casings in the King's Hookah parking lot. VCU also made contact with drivers of two other vehicles which were shot into during the gunfire, both of which had been unoccupied at the time. Those two victims told investigators that they were inside King's Hookah when they began to hear gunshots. They were told by King's Hookah staff that they had to leave the bar and the parking lot even though police were not yet there. King's Hookah staff was uncooperative with VCU on the night of the incident, and Mr. Buggs has continued to be uncooperative in VCU's attempts to obtain footage of the gunfire from the King's Hookah security camera.

These are only the most recent incidents of law enforcement involvement with King's Hookah. While not a comprehensive list, some additional officer involvements at King's Hookah include:

- 1) Since February of 2022, 8 citations have been issued to either the owner (Isaiah Buggs) or a manager of King's Hookah related to the operation of the business, including 3 citations for Overcrowding (including the one referenced above), 3 citations for Doing Business without a License, 1 citation for Failure to Pay Taxes, and 1 citation for Placement of Trash. Although these citations date back to 2022, Mr. Buggs had never come to court or dealt with any of these tickets until he was arrested on April 14, 2024.
- 2) Since June of 2023, 108 parking citations have been written to customers of King's Hookah for offenses such as obstructing traffic, parking in the street, illegal parking, and parking in a no parking area. In that same time frame, 24 vehicles have been towed.
- 3) TPD has responded to numerous calls of weapons discharge at King's Hookah, including, in one instance in 2023, officers locating 23 shell casing on the ground and numerous vehicles with bullet holes.
- 4) TPD has received 46 complaints of loud noise coming from King's Hookah and/or its parking lot.

- 5) TPD has either responded to or taken reports related to events at King's Hookah in dozens of other situations, including assaults, robbery, theft of property, and unlawful breaking and entering of a motor vehicle.

These numbers show that King's Hookah has operated in an illegal and harmful manner and is a public nuisance. Responding to these events has taxed the resources of TPD and forced TPD to divert officers away from their normal duties.

Based on this, I believe that there should be a hearing before the City Council to determine if King's Hookah's business licenses should be revoked.
