RESOLUTION

RESOLUTION AUTHORIZING CHANGE ORDER NO. 1 FOR THE 25TH STREET MULTI-USE COURTS CONSTRUCTION PROJECT
(OCA-24-1489)

WHEREAS, heretofore, as a result of competitive bidding or as otherwise authorized by the Alabama Competitive Bid Law, Ala. Code §41-16-50, et seq. (1975) and/or Ala. Code §39-2-1, et seq. (1975), the City of Tuscaloosa awarded a contract for the above-referenced project to Amason & Associates, Inc. and,

WHEREAS, it has been determined that a change order to the above-referenced contract is necessary for the following reasons:

Balance final installed project quantities versus contract quantities and to add 165 calendar day extension due to excessive rainfall during the Spring/Summer

as set forth in the C.O. and accompanying documents; and,

WHEREAS, the Architect, the Engineer for the project, or the City's representative, as the case may be, have/has certified to the Council as per the attached change order request, that said change order is:

___ a. Minor change of a total monetary value less than required for competitive bidding.

__X_ b. Changes for matters relatively minor and incidental to the original contract necessitated by unforeseeable circumstances arising during the course of work.

____c. Emergency arising during the course of work.

____d. Change or alternates provided for in the original bidding where there is no difference in price of the Change Order from the original best bid on the Alternate.

__e. Change of relatively minor terms not contemplated when the plans and specifications were prepared and the project was bid, and which are in the public interest and do not exceed ten (10) percent of the Contract Price.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF TUSCALOOSA as follows:

1. That the Mayor be, and he is hereby, authorized to execute that certain change order now before the Council for the above stated project in the **DEDUCTIVE** amount of **$10,043.98**, an **EXTENSION** of **One Hundred Sixty-Five (165)** Calendar Days, and for the reasons so stated, by and as an act for and on behalf of the City of Tuscaloosa, and the City Clerk is authorized to attest the same.

2. That the Architect or Engineer or Owner's representative, as the case may be, shall implement this change order and properly document the same pursuant to all applicable contract documents.

RESOLUTION

RESOLUTION ESTABLISHING THE LEGISLATIVE AGENDA OF THE CITY OF TUSCALOOSA FOR THE 2026 SESSION OF THE ALABAMA LEGISLATURE
(OCA-25-1224)

WHEREAS, the 2026 Legislative Session for the State of Alabama will soon begin; and

WHEREAS, as with many local governments throughout the State of Alabama, the City of Tuscaloosa has certain unique requirements and challenges which, due to the lack of Home Rule in the State of Alabama, can only be addressed through legislative action; and

WHEREAS, it is therefore the desire of the City of Tuscaloosa to provide an agenda to the Tuscaloosa County Legislative Delegation for their information, indicating the types and kinds of legislation that may be needed by the City of Tuscaloosa in order to effectively address certain important local governing issues and to inform the Delegation of other legislation it supports or opposes.

WHERAS, it is the City of Tuscaloosa's desire to monitor and respond, as appropriate, should legislative items be introduced, or become necessary to protect the City's financial, self-governance, or other interest.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF TUSCALOOSA as follows:

That the City of Tuscaloosa considers the following to be legislative issues which are significant to the citizens of Tuscaloosa and therefore request support or opposition, as the case may be, of the Tuscaloosa County Legislative Delegation of such legislation during the upcoming 2026 session. Moreover, the Mayor, Council President, and City Attorney are authorized to take such additional positions on proposed legislation as necessary to protect the City's interest.

ENSURING SALES TAX DOLLARS EARNED IN TUSCALOOSA STAY IN TUSCALOOSA

1. **Fix the Simplified Sellers Use Tax (SSUT)** - The City supports revisions to SSUT to ensure internet tax revenues are collected and distributed where they are earned. The failure to fix SSUT will impact the City's schools, public safety departments, roads and job creation.

   This includes the closing of the "Door Dash" loophole which permits the Alabama Department of Revenue (ADOR) to designated delivery network companies like DoorDash, Shipt, Walmart Marketplace, and many others as marketplace facilitators. In layman's terms, ADOR is allowing

any good picked up from a local store via these delivery network companies to be considered SSUT.

PUBLIC SAFETY FIRST

1. **Fund adequately the State's General Fund budget ("Unfunded Mandates")** - The City supports legislation requiring adequate funding by the State General Fund for criminal corrections, mental health systems, Department of Forensic Sciences, transportation, and maintenance, and opposes legislation that would pass financial burdens to local governments without accompanying state funding.

2. **Require that local law enforcement be notified when a person on supervised release absconds** - The City supports legislation that would require local law enforcement to be notified when any person, including a juvenile, who is on electronic monitoring or other supervised release removes their monitoring device or otherwise absconds from supervision.

3. **Make it illegal to possess a firearm if under the influence of an impairing substance** - The City supports legislation that would restrict possession of a firearm by a person that is under the influence of alcohol or any other intoxicating or hallucinatory drug or substance. Additionally, the city supports legislation that would either prohibit or restrict possession of a firearm in establishments where alcohol is sold and consumed on premises.

4. **Fix the "certain person prohibited" database** - The City supports any efforts to repair this database to make it more accessible, accurate and reliable so that local law enforcement can use it to more easily determine who is in fact a prohibited person.

5. **Fund fully the Tuscaloosa County District Attorney's Office** -The City supports legislation that creates full State funding for the Tuscaloosa County District Attorney's Office. Without the State fully funding the District Attorney's Office criminals will continue to be released back into our community without appropriate rehabilitation.

6. **Provide cities with more authority to abate nuisances and enforce more punitive measures against violators** - The City supports legislation and any other initiatives that will allow counties, municipalities, and state universities the ability to abate nuisances created by either non-permitted or improperly permitted events. Additionally, the city supports measures that allow more authority to abate nuisances created by negligent and/or absentee landlords that create extremely unsafe, unsanitary and hazardous conditions within local apartment complexes.

7. **Modernize alcohol licensing and Alabama Beverage Control laws and regulations** - The City supports legislation creating a hybrid alcohol license classification to cover emerging business

practices of combined restaurant/bar/lounges, revisions to types of licenses for retail establishments that serve alcohol as an ancillary business as well as modernizing Alabama Beverage Control Laws and Regulations regarding emergency orders to allow municipal regulations regarding age restrictions and geographic area restrictions.

8. **Authorization for community paramedicine and allowing mid-level providers the ability to bill** - The City supports legislation that authorizes community paramedicine programs and allows mid-level providers to bill for services rendered as well as provide for funding through appropriate mechanisms.

9. **Supports Legislation Clarifying Overtime Exemption for the Executive Director of Public Safety** - The City supports legislation that would clarify that the Executive Director of Public Safety is not subject to local overtime provisions applicable to law enforcement officers and firefighters.

10. **Support the State of Alabama fully funding the Alabama Mutual Aid System (AMAS)** - The City supports legislation that would support the use of AMAS and other funds to assist local governments who have experienced Presidentially declared disasters.

11. **Support statewide truth in advertising bill** - The City supports legislation that limits establishments with restaurant liquor licenses from generating more than 50% of their revenue from alcohol sales.

PLANNING FOR TUSCALOOSA'S FUTURE

1. **Provide extra territorial zoning for Lake Tuscaloosa** – The City supports legislation that would allow for zoning adjacent to Lake Tuscaloosa to protect it from pollution and sedimentation.

2. **Oppose legislation adverse to the Water and Sewer Department's operations** - The City opposes legislation that threatens the operations and financial solvency of Tuscaloosa Water.

3. **Require the Alabama Department of Transportation (ALDOT) to update signage on state and federal highways when a street is renamed for a Fallen Hero** - The City supports legislation that would require the Alabama Department of Transportation to update highway signage when a municipality renames a street in honor of a police officer or member of the armed services killed in the line of duty.

4. **Support funding from ALDOT for upgrades to the Tuscaloosa National Airport (TCL)** - The City support legislation that would increase ALDOT funding to match 5% of awarded federal grants for eligible projects in Alabama and for grants that support TCL's economic development and continued growth.

5. **Support legislation allowing Tuscaloosa County mayors to participate in the employees' Retirement System of Alabama (RSA)** - The City supports legislation that would allow full time mayors in Tuscaloosa County to participate in the Retirement Systems of Alabama under the same terms and conditions as other employees.

EFFECTIVE LOCAL GOVERNMENT

1. **Authorize electronic means to meet the State's publication requirements** - The City supports legislation that will establish authorization for local governments to satisfy publication requirements using websites maintained for that purpose.

2. **Make Tort Liability Limits Clearly Applicable to "Individual Capacity" Suits against Municipal Employees** – The City supports that municipal employees be allowed perform their duties without risk to their private assets like their counterparts in state and county governments.

   Unlike the State of Alabama, which has sovereign immunity from any tort claim for monetary damages, municipalities are liable for torts committed by their employees acting in the line and scope of employment. Such claims against municipalities are limited by law to $100,000 per person per occurrence and $300,000 in the aggregate. However, recent lawsuits and court decisions have called into question the applicability of the statutory liability limits to claims against municipal employees in their "individual capacities."

   This leaves individual municipal employees exposed to personal liability for judgments in excess of the liability caps. Compounding the problem, certain insurance companies, taking note of this legal trend, have begun including special endorsements in their municipal liability policies that limit the company's exposure for "individual capacity" claims to the amount of the statutory caps. This means that even if the municipality purchases insurance with much higher coverage limits, the individual employees are only protected for the first $100,000/$300,000 of any court judgment.

3. **Authorize submission of bids by means of secure electronic delivery** - The City supports specific statutory authorization to allow for submission of public works contract bids and documentation by means of secure electronic delivery.

4. **Support the funding of State STEM Hub's core needs located at the Saban Center**— The City supports legislation that would assure funding of State STEM Hub's core needs at the Saban Center such as staffing (Education Director, Education Liaison/Coordinator, Workforce Counselor, Technology Specialist, Program Coordinator, and teacher stipends/Teachers), program delivery (school group lab supplies, equipment, and public/educational programming), operations (general and administrative) and facility costs.

SUPPORTING COMMON SENSE REVENUE POLICIES

1. **Opposes drug sales exemption from gross receipts for determination of business licenses –** The City opposes the exemption of gross receipts of drug sales from the amount of gross receipts used to determine a pharmacy's business license, the City wishes to express its concern and opposition to such efforts. Pharmacy sales of prescription medication is currently exempt from sales taxes.

2. **Support regulation of retail store tax valuations** - The City supports legislation that would dissuade or prohibit stores like Lowe's and other Big Box retail stores from valuing their property on its current use rather than its value on the open market.
